

Lapostolle Dinner
Fine wines from Chile
An evening with Ronnie Janssen
Thursday 21st October 2010

Founded in 1994 by the Marnier-Lapostolle family (owners of Grand Marnier and Chateau de Sancerre), Lapostolle is an example of the results that can be achieved through the marriage of French know-how and the perfect vine growing conditions of Chile. All picking is done by hand, in small baskets and the fruit is subjected to rigorous sorting to ensure quality throughout the winemaking process. Ronnie Janssen is the European & Special Operations Director for Lapostolle and is also responsible for the marketing & sales activity throughout Europe, the Middle East and the Caribbean.
