

For the perfect night's sleep

AT THE PETERSHAM, we believe that a proper night's sleep is the most important part of anyone's stay. For your comfort and utmost enjoyment, all sixty guest rooms have been classically appointed.

Rich in furnishings, each bedroom has been carefully designed to compliment the character of the hotel, mixing Victorian splendour with modern chic.

The Bedroom

Many of the rooms boast fine Italian marble bathrooms reflecting the luxury and finery expected by today's discerning traveller. The pillows are plump and the towels are soft and fluffy.

The Petersham's River View rooms offer private balconies and bay windows with views stretching out across the Thames and surrounding meadow.

For Business

For the business traveller, there is wireless internet connection as well as a modem port, direct dial telephone for incoming and outgoing calls and a desk with writing materials. In addition, fax machines and laptop computers are also available by prior arrangement.

Restaurant

The Petersham's award winning restaurant is open everyday for breakfast, lunch and dinner. Its buzzing atmosphere and unique vista is unsurpassed, as is head chef Alex Bentley's cooking. Menus change with each season to ensure only the

finest, freshest ingredients are used although you will still find the great British 'Classics' we have come to know and love at The Petersham.
