

A Petersham wedding

PERCHED ON THE SIDE of Richmond Hill, The Petersham overlooks one of the most beautiful and picturesque stretches of the River Thames and neighbouring meadows, making it a truly unique place to spend your very special day.

The Petersham, on Richmond Hill

Without doubt, your wedding will be one of the most important days of your life so it's important to choose the perfect location.

Built in 1865, The Petersham has retained its traditional values and to this day offers all the glamour, excitement and graceful living that are synonymous to a prestigious hotel. An attentive team is dedicated to making everything run smoothly, so you and your guests can be assured of a magical and memorable experience.

The Petersham's Wedding co-ordinators have a wealth of knowledge that you can depend on. They are

dedicated to helping you plan every aspect, assisting and advising you on anything from flower arrangements and wedding cakes to photographers and chauffeur-driven limousines.

The food is second to none with award winning Head Chef, Alex Bentley, creating magical menus by mixing classic British cooking with contemporary influences.

The Perfect Setting
The River Room,

with its private terrace and breathtaking views across the River Thames, provides the perfect setting for you and your partner to exchange vows and seal your commitment to one another. With a Civil Marriage Licence for up to forty guests, you can enjoy an intimate gathering with your closest friends and family.

Following your ceremony, you may choose between The Terrace Suite

and The Cellars for your Champagne reception or formal wedding breakfast.

Theming the Room
The Petersham is a stunning hotel and very accommodating if you are looking to add a little individuality. From elaborate centrepieces to ice sculptures or unusual tableware, we are happy to recommend a supplier.
